Directions:

1. Complete the top portion of this form and give it to the Advertiser as his/her receipt for their tax deductible contribution to HBT.
2. Keep the bottom portion for HBT records and attach it to the "COPY READY" Ad and place it in the "Ads" mail slot. All ads must be "copy ready" when turned in. Please do not turn in ads requesting that someone do the layout, enlarge it, shrink it, etc. This creates a lot of work for one person. **Please be sure your ad is ready to be copied when turned in.**

3. If you have any questions, please contact the heat sheet coordinator (see web site for more information).
